From President Desk :-

I would like to say that four years ago we have started 'Aarambh' with my two special friends.

Aarambh just stepping in 5th educational year. The last four years travel made 'A sweet house' in my heart. We mean our AARAMBH team has done hard work with determination, commitment and spirit to do it. We are here for finding new paths and new beginnings for autistic and slow learner children in society. Your praise as well as help promotes me to achieve long distance. The truth is, our beginning was very easy but it's very hard task to grow and develop this noble organization.

From this educational year, we have done one more achievements for slow learner children i.e. we have started AARAMBH school in two shift i.e. morning shift is for slow learner children and afternoon shift for ASD children.

From this year we are also launching 'Aarambh's magazine, that is "Reflection of Aarambh" A Newsletter. In short I hope that you will prefer its reflections and suggests me your valuable Opinion and good suggestions.....

Thanks & Regards

Vision :-

We visualize AARAMBH as a movement that has started a home for autistic and slow learner children, to live with happiness, love, dignity and security, a life which is enjoyable, full of achievement-oriented activity, productivity and fulfilment, with specialised vocational training for the elder autistic and slow learner children to make them independent and to bring them into the main stream of the society. Educate, motivate, assist and guide groups of parent.

Mission :-

It is well known that once a child is AUTISTIC cannot be common or mal throughout life. It is very difficult for them to spend life like others. So, it is the Mission of AARAMBH on priority basis to provide quality intervention for individual with Autism Spectrum Disorders (ASD) to help children with ASD to reach their potential. To provide a holistic approach. To provide counseling for the parents of children with ASD. To spread awareness about autism in every level of society and hence to empower individual with an Autism Spectrum Disorder, and their families ,to fully participate in their communities.

Objective of the organization: -

AARAMBH center for autism and slow learner was started with specific objectives. It is aware of Autism especially in Marathwada Region. So many Autistic children couldn't get proper guidance and education, for the benefit of such children AARAMBH IS dedicated.

AARAMBH is a registered non-governmental organization working to provide quality special education, therapy and vocational training to the autistic and slow learner children since 2011. It is a first Autism centre in the Marathwada region of Maharashtra state. It offers complete care and a happy,

dignified and secure life filled with love, compassion, and achievement-oriented activities to autistic and slow learner children. AARAMBH also conducts workshops for the special children parents for their education and guidance.

How is this done?

AARAMBH Director Mrs. Ambika Takalkar who is mother of autistic child has noticed that there is no such facility for AUTISTIC children for the treatment & for the basic education in Aurangabad. So, she has taken hard efforts and initiative to start the AARAMBH society for the autistic and slow learner children with the support of nine trustees. **It is the only centre with its uniqueness & VISION in Marathawada region.** Our sole purpose is to improve the quality of life of children and adults with autism spectrum disorder and slow learners. AARAMBH Autism center started with two children, today we have 25 autistic and slow learner children, and we are entering in the fifth education year. AARAMBH has well qualified special educators, physiotherapist, psychologist, speech therapist, music teacher and dance teacher. Our main aim is to make our children independent in the day to day activities and after that make them independent by giving vocational training, so that when they become adult, they must able to earn some money and should not be burden on the family and they must live their life with self respect. Total AARAMBH team (Nine trustees, special educators, therapist, our parents, well wishers and donors) is working with devotion and commitment for the overall development of AARAMBH

There is a thought behind every activity that the Autistic and slow learner children are involved in. The day begins at 8:00 a.m. when the slow learner children comes at AARAMBH for special academic sessions, at 11:00 am, special academic session ends and autistic children arrives for the quality special education, therapies and the vocational training. At 11:15, it's time for Prayer and yoga. These activities are very important to their well-being.

AARAMBH has team of good special educators, physiotherapist, psychologist, speech therapist, music teacher and dance teacher for the overall development of autistic and slow learner children. Our special

educator teaches life skills like combing hair, wearing their clothes etc., which will make them independent. There are dance and music classes scheduled daily. This activity gives them tremendous joy and happiness.

AARAMBH has separate room for the vocational training, during the vocational training, children's being taught for making of greeting card, envelopes, paper bags, decorative days and Rangoli and so on. A child learns from the teachers and makes very beautiful above mentioned things with fun and happiness.....

How to Turn ns Dream Into Reality:-

Aarambh Center For Autism has certain plans of action.. Build the capacity and skills of individuals ,families, community agencies and professionals to help individuals with autism Spectrum Disorder realize opportunities for successful community inclusion. Provide leadership in the development and delivery of services that are marked by excellence and flexibility and are grounded in evidence raise awareness and understanding of Autism Spectrum Disorders and Promote the rights of all individuals to be treated with dignity and respect Keeping these GOALS in mind the AARAMBH is heading towards fulfilling the DREAMS. Through the years of experience it has been noticed that AUTISTIC children are quite interested in group activities rather than performing alone. So, AARAMBH has conducting many group activities, programs to bring BEST out of these children. In year 2014-2015 in spite of limitations AARAMBH has organized competitions & other activities.

Therapies adopted by Aarambh:

- **TEACH Method** :- Treatment and Education of Autism and Related Communication Handicapped Children (Structured Teaching)
- **PECS Method** :- Exchange communication System (Teaching children with the help of pictures)
- **SI Therapy** :-Sensory Integration: tempts to treat Sensory Integration Dysfunction.[1] Some of these treatments (for example, sensorimotor handling) have a questionable rationale and no empirical evidence.
- **Music Therapy** :-Reduce Hyperactive with the help of various kind of music
- **Speech Therapy** :-This is focuses on receptive language and expressive language .
- Presently we are running aarambh autism center, in a 4 rooms bungalow with open space which is taken on rent. We have equipped our therapy rooms with advanced equipment's..
- **Behavioral Modification** :-An approach to psychotherapy in the behavior is mtradition that focuses on behavior.
- **Daily Life Therapy** :-Daily Life Therapy (DLT), called Seikatsu Ryouho in Japanese, is an intervention which focuses on teaching children with autism to successfully interact in groups.
- **Special Awaj software** :
- We have installed Awaj software for Nonverbal children (who don't have speech). Which improve their speech.
- **Current Infrastructure**:-Presently we have two special education class rooms, one therapy room, speech therapy room ,office and vocational activity room in rented bungalow
- **Computer Education** :
- As per search on Autism, Autistic children are very good in technology. They are also having much more affection in computer paint brush and drawing activities.
- So enhance compute knowledge of our children, we have computer education training session, at present we are giving computer education to following autistic children
- 1)swaraj Rajput 2) Kiran Joshi 3) Mayur kulkarni 4) Bhakti Kulkarni

संकटे आपल्याला अधिक सक्षम बनवितात

वीणा गोखले : आरंभ ऑटिझम सेंटरतर्फे विशेष मुलांसाठी कार्य करणाऱ्या महिलांचा सत्कार लोकमत न्यूज नेटवर्क

औरंगाबाद : माझ्या दोन जुळ्या मुलींपैकी एक मुलगी विशेष होती, तर एक मुलगी एकदम इशार. अशा दोन मुलींना एकत्र सांभाळणे म्हणजे माझ्यासाठी कसरतीचे होते. यातच अनेक संकटे ओढवली आणि माझा जीवनप्रवास अधिकाधिक खडतर होत गेला. प्रत्येक दुःखातून बाहेर पडताना ही संकटेच आपल्याला अधिक सक्षम बनवीत असल्याची जाणीवही होत होती. त्यामुळे संकटे येऊ घा, त्यांचा निर्भयपणे सामना करा. कारण हीच संकटे तुम्हाला समृद्ध आणि सक्षम बनवितात, असा संदेश 'देणे समाजाचे' हा सामाजिक उपक्रम राबविणाऱ्या वीणा गोखले यांनी दिला.

आरंभ ऑटिझम सेंटरतर्फे जागतिक महिला दिनानिमित्त विशेष मुलांच्या माता म्हणून उल्लेखनीय कार्य करणाऱ्या महिलांचा सत्कार करण्यात आला. दि. १५ रोजी महसूल प्रबोधिनी सभागृह येथे झालेल्या या कार्यक्रमाच्या मुख्य अतिथी म्हणून उद्योजिका वीणा गोखले यांची उपस्थिती होती. प्रिया भाले अध्यक्षस्थानी होत्या, तसेच आरंभच्या

आरंभ ऑटिझम सेंटर आयोजित सत्कार सोहळ्यातील सत्कारभूमीसोबत वीणा गोखले, प्रिया भाले, अंबिका टाकळकर, जयश्री गोडसे, अंजू तायल, मंजूषा राऊत आणि इतर मान्यवर.

कार्यक्रमातील सत्कारभूमी

◆ डॉ. प्राजक्ता कोळकर, मंजुरा मोरे, अरिखिनी तोमर, राणी चोरे, अंजली रायते यांना या कार्यक्रमात विशेष पुरस्कार देऊन गौरविण्यात आले.

संचालिका अंबिका टाकळकर यांची विशेष उपस्थिती होती. यावेळी बोलताना गोखले यांनी त्यांच्या 'देणे समाजाचे' या उपक्रमाची माहिती दिली. त्या म्हणाल्या की, पुणे आणि आता मुंबई हे माझे कार्यक्षेत्र असून, याठिकाणी दिव्यांग किंवा विशेष मुलांसाठी कार्य करणाऱ्या संस्थांना

अनेक दानशूर मंडळी मदत करतात. त्यातून या संस्था रुजतात, बहरतात आणि वाढतात. त्यामुळेच आता औरंगाबाद येथे विशेष मुलांसाठी कार्य करणाऱ्या संस्थांना पुण्या-मुंबईपर्यंत पोहोचविण्यासाठी नक्की मदत करू, असे आश्वासन त्यांनी दिले. पुरस्कार वितरणानंतर मार्ग संस्थेच्या सदस्यांनी

आम्ही तर सगळ्यात सुखी माता

◆ आम्ही इतरांपेक्षा अधिक सक्षम आहोत म्हणून देवाने विशेष मुले सांभाळण्यासाठी आमची निवड केली. आज आपले मूल चांगले शिकेल का, चांगला अभ्यास करील का, करिअर करील का, असे अनेक प्रश्न सर्वसामान्य मुलांच्या मातांना सतावत आहेत; पण आपले मूल विशेष असल्यामुळे ते जे करील त्यातच आपल्याला सर्वोच्च आनंद आहे. त्यामुळे आपण जगातल्या सगळ्यात सुखी माता आहोत, असा आत्मविश्वास फर्कडेगैतानच्या अध्यक्षा आणि दोन विशेष मुलींच्या आई म्हणून ओळखल्या जाणाऱ्या राणी चोरे यांनी घेतलेला सकारात्मक पवित्रा सभागृहात उपस्थित असणाऱ्या अनेक विशेष मातांना नवा दृष्टिकोन देणारा ठरला.

सांस्कृतिक कार्यक्रम सादर करून रसिकांची दाद मिळविली. सुरेख चसंडे यांनी सूत्रसंचालन केले.

15 March 2019:- woman day presenting Marg Rangarang Programme : Marg Institution engaged in apang sabalikaran organised cultural programme on the occasion of Women's day. Aarmabh school staff & parents participated in the event and performed dance on the stage.

18 March 2019 :- 18 March :- Aarambh school organised Workshop on Making organic colour for Holi which was conducted by Manisha Chaudhary . Students participated in the workshop and learnt to prepare colours in the organic form. Teachers explained the importance of organic colour as it protects skin and is not harmful.

आरंभ येथे नैसर्गिक रंग बनवण्याची कार्यशाळेला विद्यार्थ्यांचा प्रतिसाद
प्रतिनिधी | औरंगाबाद

नैसर्गिक रंगांचा वापर केला तर पाण्याची नासाडी होणार नाही, यासाठी नैसर्गिक पध्दतीने घरच्या घरी उपलब्ध वस्तूपासून ओले व कोरडे रंग बनवण्याचे प्रशिक्षण दीपशिखा फाउंडेशनच्या मनीषा चौधरी यांनी सोमवारी आरंभ येथे मुलांना दिले. बाजावात उपलब्ध रंगांमध्ये असलेल्या रसायनांमुळे मानवी आरोग्यावर घातक परिणाम होतात. त्वचेचा कॅन्सर, फुफ्फुसाचा कॅन्सर, वार्निश ग्रॅसमुळे अँलर्जी, अस्थमा असे रोग होण्याची शक्यता असते. चांदीसारख्या चमकणाऱ्या रंगांमध्ये अँल्युमिनियम ब्रोमाइड हे आरोग्याला घातक असे रसायन आहे. निळ्या रंगात प्रशियन नील हे रसायन असल्यामुळे यांच्या अति विषादीपणांमुळे त्वचेचा कॅन्सर होऊ शकतो, असेही त्या म्हणाल्या. कार्यशाळेच्या यशस्वीतेसाठी आरंभच्या संस्थापिका अंबिका टाकळकर, प्रगती बागुल, मानसी कुलकर्णी, ललिता खापरे, स्वाती शहापुरकर यांच्यासह आदींनी सहकार्य केले.

‘आरंभ’ ने सीखा प्राकृतिक रंगों को बनाना

औरंगाबाद। 19 मार्च। लोस सेवा

‘आरंभ’ नामक स्वयंसेवी संस्था के सदस्यों के लिए सोमवार को प्राकृतिक रंग बनाने के संबंध में कार्यशाला आयोजित की गई। इस अवसर पर दीपशिखा फाउंडेशन की अध्यक्ष मनीषा चौधरी ने रासायनिक रंगों के दुष्परिणामों की जानकारी दी और प्राकृतिक रंगों के उपयोग करने का आह्वान किया. उन्होंने बताया कि बाजार में उपलब्ध रासायनिक रंगों के मानवीय स्वास्थ्य पर दूरगामी परिणाम होते हैं. यह परिणाम कई बार जानलेवा भी साबित हो सकते हैं. ऐसे में वार्निश, ग्रीस से बनने वाले रंगों से कैंसर, एलर्जी, अस्थमा और त्वचा के कई गंभीर रोग हो सकते हैं. इस अवसर ‘आरंभ’ स्वयंसेवी संस्था की संस्थापक अध्यक्ष अंबिका टाकळकर, प्रगति बागुल, मानसी कुलकर्णी, ललिता खापरे, स्वाती शहापुरकर आदि उपस्थित थे.
